	MEMORANDUM FOR: TALENT Gentrel Officer,	DPD -
	SUBJECT: Request for "T" Clearances in FE I	Division in Connection
	with Operation] 25X1A
25X1A	1. Mr. Desmond Fitzgerald, Chief of FE morning to ask if I would arrange for some addition the following people who will be concerned with enform Operation	onal clearances for
25X1A 25X1A	Case Office	FE Division 25X1A
25X1A	Executive Offi	cer, FE Division
25X1A 25X1A	2. Mr. Fitzgerald said this is the minim to those now possessing "T" clearance required take once it is placed at the disposition of FE Div. 3. You may wish to discuss in a prelimin of PIC the possibility that, as a result exist for the production of sanitized prints would carry some form of gelatine overlay that we for briefing purposes in the field. I told Mr. Fit the actual photography in this manner would rais problems regarding its handling and protection in may wish to think about these problems and I suggested to let you know exactly how horrifying a problem.	to have access to the vision for exploitation. 25X1/ nary way with a requirement may which presumably would make them useful exgerald that any use of a whole spectrum of the field. gest that you ask him 25X1
25X1A	4. Please advise me when clearances and when he has answered your quest	has effected the requested ion as to the handling
25X1A	of the take in the field. I am assuming that Mr. Fitzgerald directly when the requested clear	will contact
	25X1A	,
